Dear Mr. George:

I welcome this opportunity to thank you for addressing the senior Agency officers in our Executive Development Seminar during their recent trip to Pittsburgh. Please extend my gratitude to Mr. Whitlow for the fine luncheon and program. I understand that several of your senior officers attended the luncheon to provide an opportunity for informal discussions of a wide range of issues. This commitment is both a symbolic and practical reflection of our shared concern for the future of the United States.

Sincerely,

/s/ William J. Casey
